

## Key Informant Interview

Name of the interviewer:

Name of Person Interviewed:

Title:

Date:

Place:

Time:

1. How has your role evolved since the economic crisis in 2022-2023?
2. You/your predecessor had previously listed some impacts and challenges that your organisation/department/ministry was facing at the time of the economic crisis when we spoke in September 2022:

- *List of impacts and challenges from 2022 interview*

- a. How did these play out and how were these issues resolved?
  - b. How is your service provision still affected by the economic crisis?
3. Consider the consequences that you/your predecessor had previously forecast if the crisis was to continue for a further year from September 2022:

- *List of consequences from 2022 interview*

- a. Reflecting on the period of the crisis, how has the situation changed for your beneficiaries since the crisis ended?
4. Reflect on the top 5 issues that were identified during the crisis as needing urgent attention to prevent further deterioration of your beneficiaries' situations:

- *List of top 5 issues from 2022 interview*

- a. How have these issues been addressed, and what remains to be done?
5. Have there been any concurrent crises during 2022-2023 that have significantly affected your work and the lives of your beneficiaries? (for example: floods, landslides, drought, dengue outbreak, other disasters or crises).
  - a. What were the consequences for those affected by concurrent crises who were already vulnerable because of economic crisis?
