HIV AIDS DAY ACTIVITIES

Red Cross of Kosova Youth gathered in South-East of Kosovo, in Gjilan town on 01st December, for World AIDS Day

The activity started with exhibition with pictures from almost all RCK Youth activities

Supportive materials like brochures, condoms, flyers, etc. were distributed to the youth participants

Even the heavy rain did not stop the youth

With the red candles distributed, they made red ribbon in the centre of town

More than 500 youth joined the solidarity march through town

The march lasted two hours. After the march youth gathered in a warm place where they exchanged the ideas and warmed up a little.

Youth has a chance to ask questions related unknown issues about HIV/AIDS and other STDs
